

IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF VIRGINIA
Norfolk Division

BAYER CROPSCIENCE AG,
BAYER CROPSCIENCE NV,

Plaintiffs,

v.

CIVIL ACTION NO. 2:12cv47

DOW AGROSCIENCES LLC,
MYCOGEN PLANT SCIENCE, INC.,
AGRIGENETICS, INC. d/b/a
MYCOGEN SEEDS, LLC, AND
PHYTOGEN SEED COMPANY, LLC,

Defendants.

ORDER

Before the Court is Defendants' Motion to Amend Judgment. ECF No. 209. Defendants have filed a Memorandum in Support and Plaintiffs have filed a Memorandum in Opposition. ECF Nos. 210 and 236. The Court having reviewed the memoranda of the parties finds it inappropriate to grant Defendants' Motion. The Court's Order of January 15, 2016 (ECF No. 207) and the Arbitration Award clearly set forth the manner in which post award interest shall accrue. The Court therefore will not substitute a statutory rate where the parties have agreed to binding arbitration and that Award, including its provision regarding post award interest, was confirmed. Therefore, Defendants' Motion is **DENIED**.

The Clerk is **DIRECTED** to send a copy of this Order to the parties and to the Clerk of Court for the United States Court of Appeals for the Federal Circuit.

IT IS SO ORDERED.

Norfolk, Virginia
February 16, 2016

Raymond A. Jackson
United States District Judge
